

# Burning House

Cam

I had a dream about a burnin' house  
You were stuck inside  
I couldn't get you out  
I laid beside you and pulled you close  
And the two of us went up in smoke Love isn't all that it seems I did you wrong  
I'll stay here with you until this dream is gone I've been sleepwalkin'  
Been wanderin' all night  
Trying to take what's lost and broken  
Make it right  
I've been sleepwalkin'  
Too close to the fire But it's the only place that I can hold you tight  
In this burnin' house  
See you at a party and you look the same  
I could take you back But people don't ever change  
Wish that we could go back in time I'd be the one you thought you'd find  
Love isn't all that it seems I did you wrong  
I'll stay here with you until this dream is gone I've been sleepwalkin'  
Been wanderin' all night  
Tryin' to take what's lost and broken  
Make it right I've been sleepwalkin'  
Too close to the fire  
But it's the only place that I can hold you tight  
In this burnin' house  
The flames are gettin' bigger now  
In this burnin' house  
I can hold on to you somehow  
In this burnin' house  
Oh when I don't want to wake up In this burnin' house  
I've been sleepwalkin'  
Been wanderin' all night  
Tryin' to take what's lost and broken  
Make it right I've been sleepwalkin'  
Too close to the fire  
But it's the only place that I can hold you tight  
In this burnin' house
