## And I Am Telling You I'm Not Going

## Jennifer Hudson

And I am telling youI'm not going
You're the best man I'll ever know
There's no way I can ever go
No, no, there's no way
No, no, no, no way I'm living without you
I'm not living without you
I don't wanna be free
I'm staying, I'm staying
And you, and you
You're gonna love me

You're gonna love meAnd I am telling you I'm not goingEven though the rough times are showing

There's just no way, there's no way

We're part of the same place

We're part of the same time

We both share the same blood

We both have the same mind

And time and time, we've had so much to see and

No, no, no, no, no way

I'm not waking up tomorrow morning

And finding that there's nobody there

Darling there's no way

No, no, no, no way I'm living without you

I'm not living without you

You see there's just no way, there's no way

Please don't go away from me

Stay with me, stay with me

Stay, stay and hold me

Stay, stay and hold me

Please stay and hold me, Mr. Man

Try it Mr, try it Mr

I know, I know, I know you can

Tear down the mountains

Yell, scream and shout like you can say what you want

I'm not walking out

Stop all the riversPush, strike and kill

I'm not gonna leave you

There's no way I will

And I am telling you I'm not going

You're the best man I'll ever know

There's no way I could ever, ever go

No, no, no, no way

No, no, no, no way I'm living without youI'm not living without you, not living without youI don't wanna be free

I'm staying, I'm staying
And you, and you, and you
You're gonna love me
You're gonna love me
Yes you are, yes you are
Love me, love me
Love me, love
You're gonna love

me
