

# Remember Tomorrow

## Metallica

Unchain the colours, before my eyes  
Yesterday's sorrows, tomorrow's white lies  
Scan the horizon, the clouds take me higher  
I shall return, from out of the... Oh! Tears for remembrance, and tears for joy  
Tears for somebody, and this lonely boy  
Out in the madness, the all seeing eye  
Flickers above us, to light up the... Sky! Unchain the colours, before my eyes  
Yesterday's sorrows, tomorrow's white lies  
Scan the horizon, the clouds take me higher  
I shall return from out of the... (Fire!)
