

Fix It

Dinah Jane

I'm trying my best to let this come off right
But I know, it's gonna hurt you even if I try
Here I go, I'm over-faking everything's alright But you know, you know, yeah
There's no room for me in this home
So I go dim myself cause it's all I know
How's it feel for you to finally know
You know, you know, yeah Well, I'm tired of seeing mama fighting for me
But I know she'll keep fighting 'til she knows I'm ready Well now I'm offering to fix it, fix it, fix
it
Are you gonna let me fix it, fix it, fix it?
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, ahh
I get excited when I reach the door
'Cause I hope things have changed so I don't have to go, nah
I walk inside into a perfect home
A family that's happy, four walls that catch me
I try to wait so I could make it through, yeah (through)
And keep my place the way you taught me to, nah (taught me to)
(Ahh) I'm losing me instead of losing you
And I don't want to I'm tired of fighting, will we ever find peace?
My silence can't stop me any longer, are we... Are we ever gonna fix it, fix it, fix it?
Are you gonna let me fix it, fix it, fix it?
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, oh
No one else is gonna fix it, fix it, fix it
We'll be better in a minute, minute, minute
Once I find out how to fix it, fix it
I'm trying to bring light in, ahh
Twenty years of living like this,
and it gets to the point where you just have to stand for yourself,
instead of seeing this shit pass
right by you. Time is now, make a change Are we ever gonna fix it, fix it, fix it?
Are you gonna let me fix it, fix it, fix it? (Ohh)
'Cause I know I gotta fix it, fix it
I'm trying to bring light in, ahh (Woah)
No one else is gonna fix it, fix it, fix it
We'll be better in a minute, minute, minute (Ahh)
Once I find out how to fix it, fix it
I'm trying to bring light in, ohh
