

# The Senator & the Cabin Boy

## Alice Donut

Cocktails for the preacher  
The cabin boy won't stay  
Monsignor babble knows the business  
No money down, no one gets saved He knows  
I know Contract with america  
Be sure to hit the vein  
The senator knows the beltway  
The can boy still won't play  
I know  
He knows  
I know  
I know I know I know ...  
The banker and a thumb  
Gidget get your gun  
Gatsby's on the tube  
The arabs and the jews are getting some I know There's too many of us.
