

Come On In My Kitchen (Robert Johnson Sessions)

Simply Red

You'd better come on in my kitchen,
babe it's gonna be raining outdoors
The woman I love took to my best friend
Some joker got lucky took her back again.
You'd better come on in my kitchen,
babe it's gonna be raining outdoors
She's gone, I know she won't be coming back
I've taken the last nickel out of her station sack
You'd better come on in my kitchen,
babe it's gonna be raining outdoors
When a woman gets in trouble everybody throws her down
Look for her good friend none can be found
You'd better come on in my kitchen,
babe it's gonna be raining outdoors
