

Self Love (feat. Baby Rose)

Dreamville, Ari Lennox & Bas

Ari Lennox

I said...

Tired of being cordial

Tired of being normal

Tired of being forced in

Tied up in the moment

I'm leaving with outer purpose

Wearing it on the surface, love

Making it look good

Meanwhile it's been hurting, oh Ari Lennox

Self love is the best love

See your love is the worst drug

Self love is the best love

But your love is the worst drug

Ari Lennox & Baby Rose

Ah, ah-ah-ah (Ah)

Hey, hee

Ah, ah-ah-ah (Oh) Baby Rose

Tired of all this faking

Wearing all of this makeup

And meanwhile feeling complacent

Fitting in, feeling basic and

Meanwhile tryna replace him

But all these feelings are makeshift

Hard for me to face it

When everything is changing, ayy Baby Rose

Self love is the best love

But your love was the worst drug

Self love is the best love

But your love is the worst drug

Baby Rose

Ah, ah-ah-ah, ah

Ah, ah-ah-ah (Oh) Bas

Take it in vain, this pain is a feeling that we can't ignore

Dealer man, hand me more

A baby in a candy store

I got secrets that just can't leave our

How did we go from lost in your arms to arms in a conflict?

Long arm my conscience

Lost in my thoughts

The cost of my art, we growing apart

You growing irate

Stuck in the door of my state
I carry my Gemini traits
I bury my face
Shameful hands, took your hand
Led you astray, as you would say
As soon as we clash, you adjudicate
As for the date, it was like last June or May
We were like "let's do the break", 'cause...Baby Rose
Self love is the best love
But your love was the worst drug
Self love is the best love
But your love is the worst drugBaby Rose
Ah, ah, ah-ah-ah
Ah, ah-ah-ah (Oh)
