

# Do It For You

## Among the Thirsty

I wanna make it in music before I go out of style or maybe just write a  
song that will make my mama smile  
I'd like to be a husband and maybe a father too but whatever I do, whatever I do  
I wanna feed all the nations that don't have a lot to eat  
or maybe just help my neighbor get back up on his feet  
oh  
I may not be golden but this rule that im holdin' whatever I do, whatever I do  
oh-oh-ohh  
I'll do it for you, I'll do it for you whether big or small lord let it all bring glory to you  
no matter the cost its I'll surrender it all whether big or small let it all bring glory to you oh  
I wanna climb every mountain that no one else has been  
or maybe run up this hill just to slide down back again  
want make the decisions who runs for president  
or maybe just help my sister who's falling back on her rent  
I may not be golden but this rule I keep holdin' whatever I do, whatever I do,  
ohh  
I'll do it for you, I'll do it for you wether big or small lord let it all bring glory to you,  
no matter the cost I'll surrender it all wether big or small lord let it all bring glory to you  
I may be nothing but nothing is gonna keep me away,  
from all the changes that a simple life can make. I may be nothing but nothing is gonna keep  
me away a lot diference I know that my life can make  
yeahh  
(I'll do it for you, I'll do it for you)im gonna make a diference ohh whatever i do  
I'll do it for you, I'll do it for you wether big or small lord let it all bring glory to you,  
no matter the cost I'll surrender it all wether big or small lord let it all bring glory to you, I'll do  
it for you wether big or small lord let it all bring glory to you,  
no matter the cost I'll surrender it all wether big or small lord let it all bring glory to you, Glory  
to you
