

# Heartbeat (MSTRKRFT Remix)

## Annie

There was a time  
Everybody was around  
And I was dancing with you We all went down  
To the party Friday night  
And had a drink there or two Oh what a heap  
Of a love and heartbeat  
It's electricity Majestic sound  
Round and round and round  
Glad you're next to me Feel my heartbeat  
Drumming to the beat  
Love the symphony  
Feel my heartbeat  
Drumming to the beat  
Love the melody  
Come see Feel my heartbeat  
Drumming to the beat  
Love the symphony Feel my heartbeat  
Drumming to the beat  
Love the melody  
Come see Time after time  
Everybody came around  
And I was dancing with you Don't know your name  
Making me ashamed  
To feel the way that I do  
The lights went out  
Couldn't be without  
It was the place to be I won't forget  
Greatest dance I had  
When I was dancing with you Feel my heartbeat  
Drumming to the beat  
We all want it now Feel my heartbeat  
Drumming to the beat  
We all want it now  
Somehow Feel my heartbeat  
Drumming to the beat  
Love the symphony Feel my heartbeat  
Drumming to the beat  
Love the melody  
Come see Feel my heartbeat  
Feel my heartbeat  
Feel my heartbeat now Feel my heartbeat  
Feel my heartbeat

Feel my heartbeat now somehow  
There was a time  
Everybody was around  
And I was dancing with you  
Don't know your name  
Making me ashamed  
To feel the way that I do  
The lights went out  
Couldn't be without  
It was the place to be  
I won't forget  
Greatest dance I had  
When I was dancing with you
