

She Got Drunk Last Night

Reba McEntire

You make it look like its magic
Cause I see nobody, nobody but you, you, you
I'm never confused
Hey, hey
I'm so used to being used So I love when you call unexpected
Cause I hate when the moment's expected
So I'ma care for you, you, you
I'ma care for you, you, you, you, yeah Cause girl you're perfect
You're always worth it
And you deserve it
The way you work it
Cause girl you earned it
Girl you earned it
You know our love would be tragic
So you don't pay it, don't pay it no mind
We live with no lies
Hey, hey
You're my favorite kind of night So I love when you call unexpected
Cause I hate when the moment's expected
So I'ma care for you, you, you
I'ma care for you, you, you, you, yeah Cause girl you're perfect
You're always worth it
And you deserve it
The way you work it
Cause girl you earned it
Girl you earned it
On that lonely night
We said it wouldn't be love
But we felt the rush
It made us believe it was only us
Convinced we were broken inside, inside
Cause girl you're perfect
You're always worth it
And you deserve it
The way you work it
Cause girl you earned it
Girl you earned it
