Velvet Touch

The 69 Eyes

the autumn came took you away i never expected you to stay black tears fallin' in the cold rain i woke up one night to the darkest dream your pretty ghost whisperin' to me just one drop and i'll give you eternity i'm lookin' at you i'm lookin' for love never get enough when push comes to shove i'm lookin' at you i'm lookin' for love never get enough when push comes to shove try to look at me tell me what you see you let fantasy become reality when the night is callin' pretty baby screams i buried my heart into the deapest seas when the blood runs cold i feel hot in heat the red moon risin' over you and me i'm lookin' at you i'm lookin' for love never get enough when push comes to shove when push comes to shove when push comes to shove I never believed we would meet again start it all over 'til the very end gimme velvet touch gimme a kiss (kiss) kiss of death. i'm lookin' at you i'm lookin' for love never get enough when push comes to shove (6x) gimme gimme gimme velvet touch
