

This Could Be Us

Rae Sremmurd

Na, na, na, na, na, na, na, na Hey, Sremm life I've done it before, I've seen it before
Tears splashin' the floor when I opened the door for her
She acted like a whore and I'ma let her
Learn from Project Pat uh pimpin' got her masters
Girl, improvise, look me in my eyes and lie to me
Lie to me, act like I'll believe anything
Sex on the beach and in the backseat

This could be us So back to what I was saying (Money make the world go round)
This could be us but you're playing, (Money make your girl go down)
This could be us but you're playing, (Money make the world go round)
I'm high, I hope I don't sound crazy (Money make your girl go down)
Fuck what them niggas were saying, (Money make the world go round)
This could be us but you playing, (Money make your girl go down)
This could be us but you playing, (Money make the world go round)
But shit, that's all I was saying (Money make your girl go down)
(And that's just how it goes)

New keys to drive this Mercedes
I ball like Tracy McGrady
Before I let a girl touch anything
She gotta say please

And I know they really wish we would ball til we fall

I'm the big bad wolf there's a full moon y'all

Toss the money in the air girl, watch how your dreams hit the floor

Wait til I get the buzz off this drug

Damn girl, you way too fine for a local club

Killin' someone's vibes should be a fuckin' crime

Wasting someone's time should be a fuckin' crime So back to what I was saying (Money make
the world go round)

This could be us but you're playing, (Money make your girl go down)
This could be us but you're playing, (Money make the world go round)
I'm high, I hope I don't sound crazy (Money make your girl go down)
Fuck what them niggas were saying, (Money make the world go round)
This could be us but you playing, (Money make your girl go down)
This could be us but you playing, (Money make the world go round)
But shit, that's all I was saying (Money make your girl go down)
(And that's just how it goes)

Spin the bottle, spin the fuckin' bottle

If you the reason why it's empty, baby, spin the bottle

Truth or dare, no, you don't want no problem

Spin the bottle, spin the fuckin' bottle

If you the reason why its empty baby, spin the fuckin' bottle

Truth or dare, no, no, you don't want no problem

You don't want no problem
Bitch you might as well party So back to what I was saying (Money make the world go round)
This could be us but you're playing, (Money make your girl go down)
This could be us but you're playing, (Money make the world go round)
I'm high, I hope I don't sound crazy (Money make your girl go down)
Fuck what them niggas were saying, (Money make the world go round)
This could be us but you playing, (Money make your girl go down)
This could be us but you playing, (Money make the world go round)
But shit, that's all I was saying (Money make your girl go down)
(And that's just how it goes)
Money make the world go round
Money make your girl go down
