

# Can't Get You Off My Mind

Lenny Kravitz

Life is just a lonely highway  
I'm out here on the open road  
I'm old enough to see behind me  
But young enough to feel my soul  
I don't wanna lose you baby  
And I don't wanna be alone  
Don't wanna live my days without you  
But for now I'll have to be without you I've got a pocket full of money  
And a pocket full of keys that have no bounds  
But then I think of loving And I just can't get you off of my mind  
Babe can't you see  
That this is killing me  
I don't want to push you baby  
And I don't want you to be told  
It's just that I can't breathe without  
I feel like I'm gonna lose control  
What are the rules and reasons and the dos and don'ts  
Tell me baby tell me baby  
What do you feel inside
