

# How Could I

Marc Anthony

It was a coldest day in December  
A day I always will remember  
I looked into your eyes and faced my deepest fear  
I had drifted too far, far from you my dear So how could I, turn away from the one I love?  
How could I? When I know what my heart's made of  
Could it be that your soul lives inside of me?  
How could I ever say good-bye? Why was I so afraid to tell her?  
For her I would fight a thousand soldiers  
But just like an angry child I kept my feelings locked inside  
There were rivers of tears, flowing from her eyes  
So how could I, turn away from the one I love?  
How could I? When I know what my heart's made of  
Could it be that your soul lives inside of me?  
How could I ever say good-bye?  
How could I ever say good-bye? When you fall in love  
You never know how long it lasts?  
But the one thing I knew in my heart  
Is that I was fading much too fast  
So how could I, turn away from the one I love?  
How could I? When I know what my heart's made of  
Could it be that your soul lives inside of me?  
How could I ever say good-bye?  
How could I say good-bye?  
How could I say good-bye?
