Thunder On the Mountain

Bob Dylan

Thunder on the mountain, and there's fires on the moon A ruckus in the alley and the sun will be here soon Today's the day, gonna grab my trombone and blow Well, there's hot stuff here and it's everywhere I goI was thinkin' 'bout Alicia Keys, couldn't keep from crying But she was born in Hell's Kitchen, I was living down the line I'm wondering where in the world Alicia Keys could be I been looking for her even clear through TennesseeFeel like my soul is beginning to expand Look into my heart and you will sort of understand You brought me here, now you're trying to run me away The writing on the wall, come read it, come see what it sayThunder on the mountain, rollin' like a drum Gonna sleep over there, that's where the music coming from I don't need any guide, I already know the way Remember this, I'm your servant both night and day The pistols are poppin' and the power is down I'd like to try somethin' but I'm so far from town The sun keeps shinin' and the North Wind keeps picking up speed Gonna forget about myself for a while, go out and see what others needI've been sittin' down studyin' the art of love I think it? Il fit me like a glove I want some real good woman to do just what I say Everybody got to wonder what's the matter with this cruel world todayThunder on the mountain, rolling to the ground Gonna get up in the morning walk the hard road down Some sweet day I'll stand beside my king I wouldn't betray your love or any other thingGonna raise me an army, some tough sons of bitches I'll recruit my army from the orphanages I been to St. Herman's church, said my religious vows I've sucked the milk out of a thousand cows I got the pork chops, she got the pie She ain't no angel and neither am I Shame on your greed, shame on your wicked schemes I'll say this, I don't give a damn about your dreamsThunder on the mountain, heavy as can be Mean old twister bearing down on me All the ladies in Washington are scrambling to get out of town Looks like something bad gonna happen, better roll your airplane downEverybody going and I want to go too Don't wanna take a chance with somebody new I did all I could, I did it right there and then I've already confessed, no need to confess againGonna make a lot of money, gonna go up north I'll plant and I'll harvest what the earth brings forth The hammer's on the table, the pitchfork's on the shelf For the love of God, you ought to take pity on yourself
