

# Say It (feat. Tove Lo) [SG Lewis Remix]

## Flume

Feeling the song, party done  
Shadows walking home  
Walking with our game on  
You are my kind, classic mind  
And you look so fine  
Mmm, mmm, mmm, mmm  
Loving the cold, smoke a roll  
See your fingers shake  
I'm getting through your heart break  
Some kinda freak, sing for me  
Don't know what I need  
Mmm, mmm, mmm, mmm  
Don't doubt me babe  
You make me wanna change  
Break my bed to make me wanna stay  
I can't...  
Bite me babe  
You make me love the pain  
Break my bed to make me wanna stay I can't... When you say it like that  
Oh, oh, oh, oh  
Got me falling right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmm  
When you say it like that  
Oh, oh, oh, oh  
Let me fuck you right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmm I'm getting the door, silent walk  
Who's the first to speak?  
Speak it like a real freak  
Voice in my head, in my bed  
Filled with you instead  
Mmm, mmm, mmm, mmm  
Taking your time, work my mind  
And I play with you  
I play pretend it's so true Follow me down  
Listen 'round to the deep dark sound  
Mmm, mmm, mmm, mmm Don't doubt me babe  
You make me wanna change  
Break my bed to make me wanna stay  
I can't... Bite me babe  
You make me love the pain

Break my bed to make me wanna stay  
I can't...When you say it like that  
Oh, oh, oh, oh  
Got me falling right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmmWhen you say it like that  
Oh, oh, oh, oh  
Let me fuck you right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmmOh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
When you say it like that  
Oh, oh, oh, ohDon't doubt me babeYou make me wanna change  
Break my bed to make me wanna stay  
I can't...  
Bite me babe  
You make me love the pain  
Break my bed to make me wanna stay  
I can't...When you say it like that  
Oh, oh, oh, oh  
Got me falling right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmm  
When you say it like that  
Oh, oh, oh, oh  
Let me fuck you right back  
Oh, oh, oh, oh  
Mmm, mmm, mmm, mmm
