Georgia Rhythm

Atlanta Rhythm Section

Livin' out of a suitcase Sleepin' in hotel rooms Rental cars and airport bars And dog day afternoonsMy occupation is a picker And music is my game Sometimes it makes me crazy But I would not change a thingSo lay down a back beat Crank up your trusty Gibson Let's give it everything we got just one more time Lovin' the life we're livin' Playin' that Georgia rhythm Nothin' else ever made me feel so fine Four o'clock in the morning Waitin' for a plane We passed around the bottle, Lord And we don't feel no painLife out here on the highway Has its ups and downs But last night the Georgia rhythm Tore up another townSo lay down a back beat Crank up your trusty Gibson, it's alright Let's give it everything we got just one more time One more time Lovin' the life we're livin' Playin' that Georgia rhythm Nothin' else ever made me feel this fine, yeahAlright Rising above the madness Homeward bound again To normal ways and lazy days And old familiar friendsSome conversation with my lady Some love long overdue God knows I hate to leave her But I got a job to doSo lay down a back beat Crank up your trusty Gibson, son Let's give it everything we got just one more time Lovin' the life we're livin' Playin' that Georgia rhythm Makin' music, movin' on down the line One more timeLay down a back beat Crank up your trusty Gibson Let's give it everything we got just one more time, one more time Lovin' the life we're livin' Playin' that Georgia rhythm

Nothin' else ever made me feel this fineGive it everything we got just one more time
