## **Punish Me (feat. Miss Jones)**

## **Big Punisher**

I was the luckiest man on Earth, my wisdom was worth Any purse but had a curse that hurt worse than givin' birth My first verse explains some of the game she was playin' I'm blamin' myself 'cause in my wealth was her pain would havenBehavin' like a money hungry hooker, funny how the money took her From a average honey to a stunning looker I look back and reminisce how we used to kiss And smash hips in the GS I bought her last Christ'She got too big for her britches but the bitch is over Not the one in Queens I mean the one she dreamin' wasn't sober Told her how I felt, gassed me when she cried for help Supplied the guilt trip and I was whipped without a fuckin' beltI felt stupid Cupid struck me with a poison arrow Shoulda drowned ya when I found ya crushin' in my boy's Camaro I didn't bother but you probably find your lover dead You robbed me of my honor, you ain't shit like my mother said Come back, come back, come back Come back to me. Punisher Punish me, ah, I've been so bad, so bad Won't you come back?Nah baby, I'm not gon' be able to do it, you blew it Threw it all the way 'cause you was stupid, girl, why'd you do it? I mighta knew it by the way you gave me your baby Then left a day before I ever saw the son that God made meIt's hard maybe we can make amends, be friends But 'Roni hurtin' all of us for certain by forsakin' him Just take it in, don't even say a word, observe The way you were, preserved these wordsSo you won't play the herb Ever again, never pretend that he doesn't have a father I'm always there and you don't wanna bother I honor my word on my father's grave, guide him through his hardest age So he can thrive and survive in these modern days I wanna raise my little man but you keep resistin' I'm insistin' you chill for real before you come up missin' Listen, I don't wanna fight I'd rather do what's right A boy needs a father that's the most important part of his lifeCome back, come back, come back Come back to me, Punisher Punish me, ah, I've been so bad, so bad Won't you come back?Come back, come back, come back Come back to me. Punisher Punish me, ah, I've been so bad, so bad Won't you come back? I gave you everything, love letters and sweaters with leather seams Feathered wings and rings with emeralds right out of Geraldine's

Simple dreams a dream fulfilled, the green DeVille Cadillac To mack, not a fact redeemed to buildI mean for real I can play it mami how you wanna stay At Monty Frask, givin' the next nigga my punani You want me back 'cause he hit it wrong, now you wanna get it on With the Long Don, word bond my shit is strong (Come back)Girl, don't even start again, I beg your pardon And get your hands off my six button Cardigan This ain't no love lost between us far as I'm concerned Please leave, cut that busted weave I've been dyin' to burn Go buy a perm, try and earn some respect It's better to have loved and lost than live with regretCome back to, me, I want you to Come back, come back, come back Come back to me, Punisher Punish me, ah, I've been so bad, so bad Won't you come back?Come back, come back, come back Come back to me, Punisher Punish me, ah, I've been so bad, so bad Won't you come back to me, yeah yeahAlright, don't go, no Yeah, take my hand and punish me Hmm, been so bad, come punish me, yeah Take my hand and punish me, oh Been so bad, come punish me Song Discussions is protected by U.S. Patent 9401941.
