

# Dance Hall

## Modest Mouse

Gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
Well I'm giving myself another one, I have too much to say  
Oh dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna angle for telepathy 'cause I don't know the words to say  
Well I'm gonna act up but not in your fuckin' play  
I'll let you win the argument if things still go my way  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
Well I haven't had enough and I said I had my fill  
The past does not exist and I'm told it never will  
I guess that I'm stuck here like a plant on a windowsill  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna tell you what you want to hear anyway  
I'm gonna give myself a shot, I could get myself a pill  
Gonna go and buy myself a little more time to kill  
I need a can opener cause I got some beans to spill  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
Well, somehow or another I fell for every scam  
But I was dancin' on the tin roof, cat be damned  
Well, committing crimes running down the alley  
I am the captain and you are in the galley  
Gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance hall everyday  
I'm gonna dance hall, dance all night long right now
