

# Words Upon the Stone

## Sacred Oath

Have you ever felt a calling  
Drawing you somewhere?  
A place you feel you've been before -  
A connection to what's there? It was in the local cemetery  
I searched for the stone  
And what I found filled me with awe -  
The words upon that stone! Reader behold as you pass by  
As you are now so once was I  
As I am now so you must be  
Prepare for death and follow me.  
I'm telling you I felt myself  
Down beneath that stone  
A life before that I had lived  
Centuries far gone. The name had long since been eroded  
The date was barely there.  
But all I saw was mine upon  
That tombstone's deadly stare.  
Reader behold as you pass by  
As you are now so once was I  
As I am now so you must be  
Prepare for death and follow me.
