

Wicked Game

Phillip Phillips

The world was on fire
And no one could save me but you
It's strange what desire will make foolish people do
No I never dreamed that I'd need somebody like you
And I never dreamed that I'd lose somebody like you
No, I don't want to fall in love
No, I don't want to fall in love
This words won't break your heart
Nobody's is falling love
What a wicked game to play
To make me feel this way
What a wicked thing to do
To let me dream of you
What a wicked thing to say
You never felt this way
What a wicked thing to do
To make me dream of you.
No, I don't want to fall in love
No, I don't want to fall in love
This words won't break your heart
Nobody's is falling love
Nobody's is falling love
The world was on fire
No one could save me but you
It's strange what desire will make foolish people do
No I never dreamed that I'd love somebody like you
And I never dreamed that I'd lose somebody like you
No, I don't want to fall in love
No, I don't want to fall in love
This words won't break your heart
Nobody's is falling love
No, I don't want to fall in love
No, I don't want to fall in love
This words won't break your heart
Nobody's is falling love
