Craig Xen

These lil' niggas got me bent (Got me, ooh!)  
You lil' niggas got me (Got me)  
Mike Dean you can't (They got me bent)  
These lil' niggas got me, uh (They got me bent)  
These lil' niggas got me, ayy, ayy (They got me bent) These lil' niggas got me bent, tent  
I had  
Wit' my bitch (Ohh)  
Red nose, and she super thick  
I'ma pipe her (I'ma), you know I'ma pound her (Hop out, hop out)  
You know I'ma dog, I'ma-I'ma Rottweiler (I'ma-I'ma)  
Astro Goddamn  
Niggas got me bent (Ohh), tent (Ohh)  
I had  
Wit' my bitch (Ohh)  
Red nose and she super thick  
I'ma pipe her, you know I'ma pound her  
You know I'm a dog, I'ma-I'ma Rottweiler (I'ma-I'ma)  
Drop-top the roof (Ooh)  
You know how I do (Treyway)  
Smilin' now, a hunnit diamonds dancin' on my tooth  
Dancing in the dark (Huh)  
Rollup, I'ma sparkler (Yuh)  
Ask that nigga how he tryna play me for a mark  
Think I'm Lil Mac, I get to whoopin' niggas asses  
The way I'm getting cash, they say I'm casting black magic  
Structure like elastic  
Money coming faster, and faster  
Your cash flowing slower than molasses  
Passing the mug (Pass that)  
Laughing around you  
How'd ya think that I ain't in boy  
I'm bound to, I'm bound to  
Hit bout' 20 milli- before I see 25  
Get the deal, I signed the dotted line  
Then I split it with the guys  
These lil' niggas got me bent (Ooh), tent (Ooh)  
I had...  
Wit' my bitch (Ohh)  
Red nose and she super thick (And she)  
I'ma pipe her (Pipe her), you know I'ma pound her (Pound her)  
You know I'm a dog, I'ma-I'ma Rottweiler  
Niggas got me bent (Ohh) tent (Ohh)

I had...  
Wit' my bitch (Ohh)  
Red nose and she super thick  
Im'ma pipe her (Pipe her), you know Im'ma pound her (Pound her)
