

# Cold Shoulder (Rusko Remix)

Adele

You say it's all in my head  
And the things I think just don't make sense  
So where you been then? Don't go all coy  
Don't turn it 'round on me like it's my fault  
See I can see that look in your eyes  
The one that shoots me each and every time (every time) You grace me with your cold shoulder  
Whenever you look at me I wish I was her  
You shower me with words made of knives  
Whenever you look at me I wish I was her These days when I see you  
You make it look like I'm see-through  
Do tell me why you waste our time  
When your heart ain't admitting you're not satisfied  
You know I know just how you feel  
I'm starting to find myself feeling that way too  
When you grace me with your cold shoulder  
Whenever you look at me I wish I was her  
You shower me with words made of knives  
Whenever you look at me I wish I was her Time and time again, I play the role of fool  
(Just for you)  
Even in the daylight when you think that I don't see you  
Try to look for things I hear but our eyes never find  
'Though I do know how you play You grace me with your cold shoulder  
Whenever you look at me I wish I was her  
You shower me with words made of knives  
Whenever you look at me I wish I was her  
You grace me with your cold shoulder  
Whenever you look at me I wish I was her  
You shower me with words made of knives  
Whenever you look at me I wish I was her
