

A Different World (feat. Corey Taylor)

Korn

I dream of the past, so I can break through
The walls I have built inside
The thoughts I can't grasp
Transparent, see through
They constantly fight and collide I'd love to see a different world
A place where you can't find me
Feel me, kill me, my backs up against the wall
Your magic spell doesn't work anymore
Kill me, kill me, that's what you've got to face, my friend
(My friend)
This ain't the end
(The end)
Why can't I relax and let it be true?
This world that I try to hide
It's kind of a mess
Too reckless for you
This place makes me feel alive I'd love to see a different world
A place where you can't find me
Feel me, kill me, my backs up against the wall
Your magic spell doesn't work anymore
Kill me, kill me, that's what you've got to face, my friend (My friend)
This ain't the end
(The end)
The call of the purpose is the change in behaviour
And that is all we can sense of the strangers
It gets on top of you and forces your perspective
Then you know it, you feel it, it's as dark as you can get, you want it
Harder! Harder! Harder!
Give it to you
Harder! Harder! Harder!
You just want it
Harder! Harder! Harder!
Give it to you
Harder! Harder! Harder!
I don't think you'll ever get it Feel me, kill me, my backs up against the wall
Your magic spell doesn't work anymore
Kill me, kill me, that's what you've got to face, my friend (My friend)
This ain't the end
(The end)
