

# Someday

## Sugar Ray

Someday  
When my life has passed me by  
I lay around and wonder why  
You were always there for me One way  
In the eyes of a passerby  
I look around for another try  
And fade away Just close your eyes and I'll take you there  
This place is warm without a care  
We'll take a swim in the deep blue sea  
I go to leave and you reach for me Some say  
Better things will come our way  
No matter what they try to say  
You were always there for me  
Someway  
When the sun begins to shine  
I hear a song from another time  
And fade away  
And fade away Just close your eyes and I'll take you there  
This place is warm without a care  
We'll take a swim in the deep blue sea  
I go to leave and you reach for me Someone said you tried too long  
Someone said we got it all  
Someone said we tried too long  
Is there a place where I belong? So far and so long  
So far away  
So far and so wrong  
So far away, away, away  
Some day  
When my life has passed me by  
I lay around and wonder why  
You were always there for me  
One way  
In the eyes of a passerby  
I look around for another try  
And fade away.  
And fade away.  
And fade away  
And fade away
