

# Nuclear

Mike Oldfield

Standing on the edge of the crater  
Like the prophets once said  
and the ashes are all cold now  
No more bullets and the embers are dead  
Whispers in the air tell the tales  
Of the brothers gone  
Desolation, devastation  
What a mess we made, when it all went wrong  
Watching from the edge of the circus  
For the games to begin  
Gladiators draw their swords  
form their ranks for armageddon  
I'm nuclear  
I'm wild  
I'm breaking up inside  
A heart of broken glass  
Defiled  
Deep inside  
The abandoning child  
Standing on the edge of the underworld  
Looking at the abyss  
and I'm hoping for some miracle  
To breakout to escape from all this  
Whispers in the air tell the tales  
of a life that's gone  
Desolation, devastation  
What a mess we made, when it all went wrong  
I'm nuclear  
I'm wild  
I'm breaking up inside  
A heart of broken glass  
Defiled  
Deep inside  
The abandoning child  
I'm nuclear  
I'm wild  
I'm breaking up inside  
A heart of broken glass  
Defiled  
Deep inside  
The abandoning child
