

# With You

## 3T

Girl it's so unreal  
The way you make me feel  
I've got to give it up to you  
Girl sometimes it seems  
What you really need  
Is someone who will be right here with you Oh girl I think I love ya  
(It's no mistake)  
I am here for you  
I came to tell you baby  
(Love's here to stay)  
So you'll never feel so sad or lonely again  
Baby you can call me crazy  
There's nothing that I wouldn't do  
Girl I wanna spend my life with you  
(I wanna be, I wanna be)  
Even though you're not my lady  
All I wanna really do  
(All I wanna do)  
Is spend my life and be right here with you  
So if you ever need  
Sensitivity  
Baby you know just where to go  
'Cause girl it seems to me  
To one thing that you really need  
Is someone who will be right here with you
