

Cold Shot

Stevie Ray Vaughan & Double Trouble

Once was a sweet thang baby, held our love in our hands
Now I reach to kiss your lips, the touch don't mean a thing
And that's a cold shot baby, yeah that's a drag.
A cold shot baby, I let our love go bad Remember the way that you loved me, do anything I say
Now I see you out somewhere, you won't give me the time of day
And that's a cold shot darlin', yeah that's a drag
That's a cold shot baby, we let our love go bad I really meant I was sorry, for ever causin' you
pain
You showed your appreciation, by walkin' out anyway
And that's a cold shot baby, yeah that's a drag
That's a cold shot baby, we let our love go bad
Don't let our true love run cold baby
