

# You Give Love a Bad Name

Atreyu

Shot through the heart and you're to blame  
Darlin', you give love a bad name  
Fuck you An angel's smile is what you sell  
You promise me heaven, then put me through hell  
Chains of love, got a hold on me  
When passion's a prison, you can't break free Whoa, you're a loaded gun  
Yeah, whoa, there's nowhere to run  
No one can save you  
The damage is done Shot through the heart and you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love a bad name  
You paint that smile on your lips  
Blood red nails on your fingertips  
A school boy's dream, you act so shy  
You're very first kiss was your first kiss goodbye Whoa, you're a loaded gun  
Whoa, there's nowhere to run  
No one can save me  
The damage is done Shot through the heart and you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love Shot through the heart and you're to blame  
Darlin', you give love a bad name  
I play my part and you play your games  
You give love a bad name  
Shot through the heart and you're to blame  
You give love a bad name  
I play my part and you play your games  
You give love a bad name  
You give love a bad name
