

# Polaroid

## Jonas Blue, Liam Payne & Lennon Stella

[Intro: Liam Payne]

Let me tell you how it happened  
I wasn't looking for someone that night  
No, I was never a believer  
But you could fall in love with the first sight [Pre-Chorus: Liam Payne]

But all of a sudden  
We loved and got lost in the moment  
All of a sudden

She's gone in the flash of a light  
I never was looking, hmm  
I'll be looking for the rest of my life  
[Chorus: Liam Payne & Lennon Stella]

We took a polaroid  
You signed your name up on it  
I put it in my wallet  
Hoping I'd see your face again  
We took a polaroid  
Capture the look in your eyes  
It's only a matter of time  
Before it stops fading [Verse 2: Lennon Stella]  
Was in my imagination

I could've sworn I saw someone like you  
A thousand people at the station  
And it's like I used to doubt of you  
[Pre-Chorus: Liam Payne]

Then all of a sudden  
I loved and got lost in the moment  
All of a sudden  
She's gone in the flick of a light  
I never was looking, hmm  
I've been looking for the rest of my , life [Chorus: Liam Payne & Lennon Stella]

We took a polaroid  
You signed your name up on it  
I put it in my wallet  
Hoping I'll see your face again  
We took a polaroid  
Capture the look in your eyes  
It's only a matter of time  
Before it stops fadin' [Bridge: Liam Payne & Lennon Stella]  
We were dancing without moving  
All my friends are leaving me behind  
I didn't wanna catch a feeling

It was something in the flashin' light[Pre-Chorus: Liam Payne & Lennon Stella]  
Then all of a sudden  
I loved and got lost in the moment  
All of a sudden  
She's gone in the flick of a light  
I never was looking, hmm  
I've been looking for the rest of my life[Chorus: Liam Payne & Lennon Stella]  
We took a polaroid  
You signed your name up on it  
I put it in my wallet  
Hoping I'd see your face again  
We took a polaroid  
Capture the look in your eyes  
It's only a matter of time  
Before it stops fading[Outro: Liam Payne]  
We took a polaroid  
You signed your name up on it  
I put it in my wallet  
Hoping I'd see your face again
