Stuntman

Kasabian

No map looking for the one I love
Cause the one I love is hereNo map looking for the one who stands
Cause he's arming me from fearWe got tuned in by the other side
Lives spent digging holes for the ones that hideSee the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

More cuts taken for the one in silence

Now he sits between my earsHis moves in madness how I love the rush

Could you wipe away these tearsWe got taken by

A rush of bloodMy trains leaving now

How I wish I couldSee the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

See the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyesSee the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes

I'm a stuntman

See the white of my eyes
