## **Beautiful Disaster**

## **Kelly Clarkson**

He drowns in his dreams An exquisite extreme, I know He's as damned as he seems And more heaven than a heart could hold And if I try to save him My whole world could cave in It just ain't right, it just ain't rightOh and I don't know I don't know what he's after But he's so beautiful Such a beautiful disaster And if I could hold on Through the tears and the laughter would it be beautiful? Or just a beautiful disaster? He's magic and myth As strong as what I believe A tragedy with More damage than a soul should see and do I try to change him So hard not to blame him Hold on tight, hold on tightOh, cuz I don't know I don't know what he's after But he's so beautiful Such a beautiful disaster And if I could hold on Through the tears and the laughter Would it be beautiful? Or just a beautiful disaster? I'm longing for love and the logical But he's only happy, hysterical I'm waiting for some kind of a miracle Waiting so long I've waited for so longHe's soft to the touch But frayed at the ends, he breaks He's never enough And still he's more than I can takeOh cuz I don't know I don't know what he's after But he's so beautiful Such a beautiful disaster

And if I could hold on
Through the tears and the laughter
Would it be beautiful?
