Stairway to Heaven

The O'Jays

Here we go Climbing the stairway to heaven Here we go Walking the road of ecstasyTaking the load Of this whole world off our shoulders The door is wide open for you The door is open for meHere we go Still in a moment of pleasure You and I We are gonna find the pirates treasure Here we go Oh baby, here we go Climbing the stairway to heaven Climbing the stairway to heavenAnd we are going step by step Together, step by step Climbing the stairway to heaven Climbing the stairway to heavenAnd we are going step by step Together, step by step Put your hand, lean closer Don? t you wanna go Don? t you wanna go In our own little corner of the world
