Phase

Ani DiFranco

I'll be your biggest fan, I will be your fool
I'll be your exception to every ruleAnd I ain't the type to bitch
I ain't the type to cry
I'll sit at your red light
And wait for your ship to go byAnd this vague little smile

Is my all-purpose expression

The meaning of which

I will leave to your discretionYeah, my distraction is my defense

Against this lack of inspiration

Against this slowly deflation

Yeah, the further the horizon

You know the more it warps my gaze

The foreground's out of focus

But you know I kinda hope it's

Just a phase, just a phase, just a phase
Just a phase, just a phase

Just a phaseI've been through and through this, I know just how it goes

You'll have no idea, you'll have no need to know

I will make your body grow wings and take flight

I will erase sound, I will erase lightI said this vague little smile

Is my all-purpose expression

The meaning of which

I will leave to your discretion

Yes my distraction is my defense

Against this lack of inspiration

Against this slowly deflation

Yeah, the further the horizonThe more it warps my gaze

And the foreground's out of focus

But you know I kinda hope it's

Just a phase, just a phaseJust a phase, just a phase

Just a phase, just a phase

Just a phase
