

Blessed

[Rachael Lampa](#)

I may never climb a mountain
So I can see the world from there
I may never ride the waves
And taste the salty ocean air Or build a bridge
That would last a hundred years
But no matter where the road leads
One thing is always clear I am blessed, I am blessed
From when I rise up in the morning
Till I lay my head to rest, I feel You near me
You soothe me when I'm weary
Oh, Lord, for all the worst and all the best
I am blessed
All along the road less traveled
I have crawled and I have run
I have wandered through the wind and rain
Until I found the sun The watching eyes, ask me why?
I walk this narrow way
I will gladly give the reason
For the hope I have today I am blessed, I am blessed
From when I rise up in the morning
Till I lay my head to rest, I feel You near me
You soothe me when I'm weary
Oh, Lord, for all the worst and all the best
I am blessed
You've given me joy, You've given me love
You give me strength when I want to give up
You came from Heaven to rescue my soul
This is the reason I know, I know
Oh, oh, oh, oh, know I am blessed
From when I rise up in the morning
Till I lay my head to rest, I feel You near me
You soothe me when I'm weary
Oh, Lord, for all the worst and all the best, oh, ooh, oh
Oh, Lord, for all the worst and all the best
I am blessed, I am blessed
