

Kings and Queens (feat. Bodhi Jones)

De Hofnar

Kings and Queens run the world in the magazine
Big bright shining dreams on the TV screen
Vips and bling never meant that much to me
Here is the thing you're the one you're my everything I don't wanna rule the world
I just wanna rock you girl
All I wanna do right now is love you right now on the dancefloor
Whip it out I don't wanna lose you girl
I just wanna rock your world
All I wanna do right now is love you right now on the dancefloor
Whip it out
(Dancefloor)
(Whip it out) I'm the King you're the Queen it's the reality
Big bright shining dreams on the TV screen
Lips and bling never meant that much to me
Here is the thing you're the one you're my everything
(You're my everything) I don't wanna rule the world
I just wanna rock you girl
All I wanna do right now is love you right now on the dancefloor
Whip it out
I don't wanna lose you girl
I just wanna rock your world
All I wanna do right now is love you right now on the dancefloor
Whip it out
