

Cherish (Edit Version)

Madonna

Cherish, cherish So tired of broken hearts
And losin' at this game before I start
This dance I'll take a chance in telling you I want more than just romance
You are my destiny
I can't let go baby, can't you see? Cupid, please take your aim at me Cherish the thought
Of always having you here by my side
Oh baby, I cherish the joy You keep bringing it into my life
I'm always singing it
Cherish the strength
You got the power to make me feel good
Oh baby, I perish the thought
Of ever leaving, I never would
I was never satisfied
With casual encounters, I can't hide My need for two hearts that bleed
With burning love that's the way it's got to be
Romeo and Juliet They never felt this way I bet
So don't underestimate my point of view I cherish the thought
Of always having you here by my side Oh baby, I cherish the joy
You keep bringing it into my life
I'm always singing it
Cherish the strength You got the power to make me feel good
Oh baby, I perish the thought
Of ever leaving, I never would
Who? You
Can't get away, I won't let you Who? You
I could never forget to
Cherish is the word I used to remind me of your love Keep giving it, keep giving it to me Boy,
keep giving me all, all of your joy
Give me faith, I will always cherish you Romeo and Juliet
They never felt this way, I bet
So don't underestimate my point of view I cherish the thought Of always having you here by my
side
Oh baby, I cherish the joy
You keep bringing it into my life
I'm always singing it
Cherish the strength
You got the power to make me feel good
Oh baby, I perish the thought
Of ever leaving, I never would Cherish
Give me faith, give me joy
My boy, I will always cherish you
Cherish your strength Keep giving it, keep giving it to me

Boy, keep giving me all, all of your joy Cherish the love
Give me faith, give me joy
My boy, I will always cherish you
