Cherish (Edit Version)

Madonna

Cherish, cherishSo tired of broken hearts

And losin' at this game before I start

This dance I'll take a chance in telling youI want more than just romance

You are my destiny

I can't let go baby, can't you see? Cupid, please take your aim at meCherish the thought

Of always having you here by my side

Oh baby, I cherish the joyYou keep bringing it into my life

I'm always singing it

Cherish the strength

You got the power to make me feel good

Oh baby, I perish the thought

Of ever leaving, I never would

I was never satisfied

With casual encounters, I can't hideMy need for two hearts that bleed

With burning love that's the way it's got to be

Romeo and JulietThey never felt this way I bet

So don't underestimate my point of viewI cherish the thought

Of always having you here by my sideOh baby, I cherish the joy

You keep bringing it into my life

I'm always singing it

Cherish the strengthYou got the power to make me feel good

Oh baby, I perish the thought

Of ever leaving, I never would

Who? You

Can't get away, I won't let youWho? You

I could never forget to
