The Promise

Framing Hanley

She said it's just like Hollywood Now I'm afraid because the boy forgets the girl While she sits home and waits

But you promised me you won't

And you've never lied so please don't If you want L.A. then go to L.A.

Despite the miles between us

My heart will never change

'Cause you're all that it beats for

When you're all back to that doorI'm not saying that I don't believe

I'm exactly where I want to be

Don't you take that from me, noYou know I still get lost in your eyes

With your lips and your kiss and you're in mine

You're all that I need

And I promise I'll sleep, not tonight

Just knowing you're here by my side

Don't give this up, don't give this upI'm not saying that I don't believe

I'm exactly where I want to be

Don't you take that from me, noYou keep on running, you're running away

I'll be here waiting wishing you could see

But I'll just remember the promise that you made, whoa I'll keep on fighting, I'm fighting for you

I swear I would give you the sun and the moon

If you'll just remember the promise you madeOh, oh, oh, oh

I'm not saying that I don't believe

I'm exactly where I want to be

Don't you take that from me, no

I'm not saying that I don't believe

I'm exactly where I want to be

Don't you take that from me

Don't you take that from meWhoa, whoa, whoa, whoa
