Porno Star

Buckcherry

I got this blessed view

Late night working avenue

Never had a chance to love you

Never want to see you cryThank God it's quitting time

Fuck me harder kill the lights Never had a chance to love you

Never want to see you cry

Never had a chance to love you

Hard cock nasty mindYeah, well come onTake off your clothes and shut the door

Pornographic monster on the floor

That's what you like, I'll come some more

Don't you know we fuck for money

I'm a big dick, mother fucking porno star?

In my face, on top again

Dead lay lover never wins

Never had a chance to love you

Never want to see you cryThe best fuck you'll ever have

Good job from a working man

Never had a chance to love you

Never want to see you cry

Never had a chance to love you

Hard cock suicideYeah, well come onTake off your clothes and shut the door

Pornographic monster on the floor

That's what you like, I'll come some more

Don't you know we fuck for money

I'm a big dick, mother fucking, porno star?

Porno star, hey

Do you like that baby? Take off your clothes and shut the door

Pornographic monster on the floor

That's what you like, I'll come some more

Don't you know we fuck for money

I'm a big dick, mother fucking, porno star?

Porno star, porno star, porno star
