

One Way Trip (feat. Kevin Rudolf)

Lil Wayne

Haha, uhh, yeah
Uhh, yeah, haha
Look Beat the beat up till the beat get punch drunk
Drown in my flow motherfucker bring ya swimming trunks
Everybody say they just do it, well I just don't
Times do change motherfucker, but the gun don't
Woke up this morning with my dick to the ceiling
Fell asleep with another chick from my building
Kick her ass out and have breakfast like a motherfucker
I'm with another bitch by supper
Yeah, me and hate, that's an odd couple
Haha, you niggas fake, you wouldn't pop bubbles
You can act stupid, bitch I'm dumber
And T Barker is my motherfuckin' drummer, lets go
I'm fallin' down a landslide
On a one way trip to you
You want me to take you for a ride
Well lets see what you can do
And it feels like uhh uh uh uh uh (Trav!)
And I know just what to do
Because I'm falling down a landslide
On a one way trip to you Uhh, I been doin' this shit
And you know what they say about the shoe if it fit
Have a ball till I fall though
If I die today, I bet the world end tomorrow
Haha, it's fucked up how you ain't never me
And I got blind money, money you will never see
And only in the mirror is where you'll find a better me
I make money and my fingers make the letter 'b'
I'm very sick, very sicker than you
And when I play sick, I'm Jordan with the flu
Hah, then I become a motherfucker
And my nigga Travis Barker is my drummer, motherfucker lets go
I'm fallin' down a landslide
On a one way trip to you
You want me to take you for a ride
Well lets see what you can do
And it feels like uhh uh uh uh uh (Trav!)
And I know just what to do
Because I'm falling down a landslide
On a one way trip to you Uhh, I get better with time, and time is forever
So just sit back and watch my time get better

So check your watch, I'm strong as scotch
Poppa was a rolling stone, I was born to rock
Uh, tell it like it is, shit I don't know when it isn't
To be or not to be, shit I don't know my decision
I don't know how I made it for this long in this condition
'Cause my flow so sick, I shoulda died in the first verse
Mr. Doctor Carter with my hand up a nurse skirt
Suck me like soup, and I'mma eat you like Surf and Turf
Haha, just let me know when you are coming
And my motherfuckin' nigga T Barker keep drummin', lets go I'm fallin' down a landslide
On a one way trip to you
You want me to take you for a ride
Well lets see what you can do
And it feels like uhh uh uh uh uhhh (Trav!)
And I know just what to do
Because I'm falling down a landslide
On a one way trip to you On a one way trip to you, one way trip to you
