

Stella By Starlight

Miles Davis

The song a robin sings
Through years of endless springs
The murmur of a brook at eventide
That ripples by a nook where two lovers hide
A great symphonic theme
That's Stella by Starlight and not a dream
My heart and I agree
She's everything on earth to me
A great symphonic theme
That's Stella by Starlight and not a dream
My heart and I agree
She's everything on earth to me
