## **Crying (with Roy Orbison)**

## k.d. lang

I was alright for a while I could smile for a while Then I saw you last night You held my hand so tight When you stopped to say hello You wished me well, you couldn't tellThat I'd been crying over you Crying over you Then you said so long And left me standing all alone Alone and crying Crying, crying, crying It's hard to understand That the touch of your hand Can start me cryingI thought that I was over you But it's true, so true I love you even more than I did before But darling what can I do? No you don't love me and I'll always be Crying over you Crying over you Yes, now you're gone And from this moment on I'll be crying, crying, crying, crying, Crying, crying, over you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
