

# When Your Lover Has Gone

[Linda Ronstadt](#)

What good is the scheming, the planning, the dreaming  
That comes with each new love affair  
The love that you cherish so often may perish  
And leave you with castles in air  
When you're alone  
Who cares for starlit skies  
When you're alone  
The magic moonlight dies  
At break of dawn  
There is no sunrise  
When your lover has gone  
What lonely hours  
The evening shadows bring  
What lonely hours  
With memories lingering  
Like faded flowers  
Life can't mean anything  
When your lover has gone  
Like faded flowers  
Life can't mean anything  
When your lover has gone
