

Come with Me

Caroline Romano

I won't lie
I won't lie
I'm tryna pull up with you
I don't got much to do
Not feeling this thing tonight
I can't lie
I can't lie
Staying put gets real hard
Got keys and a credit card
Now tell me where I should drive
She ain't doing you right
Let her go
Let's stop wasting time
You should know
I'm the closest thing
To interesting
Yea you ain't free
So come with me
Come With me
She ain't cool
Cause she ain't me
It's what you need
So come with me
Come With me
Ooooooh
She ain't cool
Cause she ain't me
Ooooooh
I'm what you need
So come with me
Come With me
This is kinda new
Kinda new
You know that I'm here to stay
Where is she anyway
Compare and you'll see the truth
You think I'm cool
Think I'm cool
I got that thing you want
She don't got that so much
Want me to choose for you?
She ain't doing you right

Let her go.
You'll leave her tonight
And it's my fault
I'm the closest thing
To interesting
Yea you ain't free So come with me
Come With me
She ain't cool
Cause she ain't me
It's what you need
So come with me
Come With me
Ooooooh
She ain't cool
Cause she ain't me
Ooooooh
I'm what you need So come with me
Come With me
She ain't doing you right
Let her go
You'll leave her tonight
And it's my fault
All my fault yea
I'm the closest thing
To interesting
Yea you ain't free So come with me
Come With me
She ain't cool
Cause she ain't me
It's what you need
So come with me
Come With me
Ooooooh
Yea she ain't cool
Cause she ain't me
Ooooooh I'm what you need
So come with me
Come With me
Ooooooh
I'm what you, I'm what you
Yea she ain't cool
Cause she ain't me
Ooooooh
I'm what you need
So come with me
Come With me
