

Blues Deluxe

Joe Bonamassa

I don't know too much about love baby now,
But I sure think I got it bad yeah.

I don't know too much about love baby now,
But I sure think I got it bad yeah.

Some people say love is just a gamble,
Ooo whatever it is about to drive me mad yeah.

Yeah, lookout...

I sit here in my lonely room now,
Tears flowin' down my eyes.

As I sit here in my lonely room now,
Tears flowin' down my eyes.

I wonder how you can treat me so low down and dirty.

You know what?

Your heart must be made out of ice yeah.

(Lead Break)

Sometimes I get so worried baby now,
You know I wanna sit down and cry myself to sleep.

Sometimes I get so worried baby now,
You know I wanna sit down and cry myself to sleep.

Cuz I don't know too much about love babe,
But I sure think I... sure think I... got it bad yeah.

Oh, I sure think I got it bad yeah.
