

# In a Song (Encore)

## Hunter Hayes

Was the heart that I gave  
The dreams that I made  
With someone who don't care  
The time that I wasted  
Feelings I chased  
That just led me nowhere  
The sleepless nights, the drag-out fights  
That silence always won  
The tears that I cried  
The breaking inside  
The loneliness to come  
It's alright, is this goodbye  
Won't hurt me for too long  
I'll be fine on my own  
It'll take some time  
But I know that I  
I can find where I belong  
And I'll find it in a song  
There's songs about freedom, searching for new love  
How ignorance is bliss  
Yeah, I know that I'm not the only fool who's been  
Hurt just like this  
Yeah, songs about making honest mistakes  
And heartaches I've gone through  
Yeah, then I'll forgive  
I won't have to forget  
All the good things about you  
It's alright, is this goodbye  
Won't hurt me for too long  
I'll be fine on my own  
It'll take some time  
But I know that I  
I can find where I belong  
And I'll find it in a song  
Ooh oh ooh oh  
No, ooh, ooh oh  
Well I'm sure if I had  
The chance to go back  
I'd change more than I should  
But knowing I can't is helping my chances  
Of moving on for good  
Now I'm not saying  
There won't be too many lonely nights  
But the songs that I choose getting over you  
Help me make it out alive  
It's alright, is this goodbye

Won't hurt me for too long  
I'll be fine on my own  
It'll take some time  
But I know that I  
I can find where I belong  
And I'll find it in a song Find it in a song, mmm  
I'll find myself in a song  
I'll find myself in a song
