

More of You

Colton Dixon

I made my castle tall
I built up every wall
This is my kingdom and it needs to fall
I want you and no one else
Empty me of myself
Until the only thing that's left is More of You
Less of me
Make me who I'm meant to be
You're all I want all I need
You're everything
Take it all I surrender
Be my king
God I choose
More of You and Less of me
I need more of you
More of you
This life I hold so close
Oh, God I let it go
I refuse to gain the world and lose my soul
So take it all I abandon everything I am
You can have it
The only thing I need is More of You
Less of me
Make me who I'm meant to be
You're all I want all I need
You're everything
Take it all I surrender
Be my king
God I choose
More of You and Less of me
I need more of you
More of you
All to You
I surrender
All to You my blessed savior
I surrender all All to You
I surrender
All to You my blessed savior
I surrender all More of You
Less of me
Make me who I'm meant to be
You're all I want all I need

You're everything
Take it all I surrender
Be my king
God I choose
More of You and Less of me
I need more of you
More of you All to You
I surrender
All to You my blessed savior More of you
I need more of you
