

Revelation

Troye Sivan & Jónsi

[Verse 1: Troye Sivan]
You're a revelation
Won't you liberate me now
From a holy world
You're a revolution
I will liberate you now
As the walls come down[Pre-Chorus: Troye Sivan]
It's a rocky road to say
Maybe I won't go
Hey dear, you're a wrecking ball
And you're here crushing all I'm told
[Chorus: Troye Sivan]
Ever I roam
Ever I roam
Further from home
Your hand I hold[Verse 2: Troye Sivan]
It's a revelation
There's no hell in what I found
No kingdom shell
How the tides are changing
As you liberate me now
And the walls come down[Pre-Chorus: Troye Sivan]
Til' the end
It's a rocky road to say
Maybe I won't go
Hey dear, you're a wrecking ball
And you're here crushing all I'm told
[Chorus: Troye Sivan]
Ever I roam
Ever I roam
Further from home
Your hand I hold
Ever I roam
Ever I roam
Ever I roam
