

Hit Different (feat. Ty Dolla \$ign)

SZA

Hit different, hit different
Hit different, hit different (hit different)
Hit different, hit different (oh)Hit different (oh), hit different (oh)
Hit different when I'm sittin' here alone
All by myself (all alone by myself)
Hit different when I think you might be
With somebody else (yeah, nah-nah-nah, nah)Hit different, hit different
Hit different, hit different
Hit different, hit different (mm)
Hit different (nah, nah, oh)
This shit
Oh, woah, yeah (oh)
Oh, woah (yeah), yeah (yeah)
I was into you from the beginning even if you wasn't mine
Scared to admit my shortcomings
Led to overdraft in this affair, declining
Quicker than we started, evidence we misaligned
Man, I get more in love (more in love) with you each argumentSomethin' wrong with me, I like
the way you screw your face up
Trigger me right when I need it
You wrong but I can't get along without you
It's a shame and I can't blame myself, keep on lovin' you
You do it differentAll that I know is
Mirrors inside me
They recognize you
Please, don't deny me (me, yeah, oh, ooh, yeah)
Hit different, hit different (it hit different)
Hit different, hit different (hit different, ooh)
Hit different, hit different (mm)
Hit different (ooh), hit different (oh)
Hit different when I'm sittin' here
Alone, all by myself (alone, all by myself)
Hit different when I think you might
Be with somebody else (nah-nah-nah, nah)And it hit different (different), hit different
(different, nah, nah)
Hit different, hit different
Hit different, hit different (mm)
Hit different
This shit
Oh, woah (woah, woah, woah), yeah (oh, yeah)
Oh, woah (woah, woah, woah), yeahYou still hit, when you want it, got to keep me, I am chill
Don't trip when you see out kickin' with my new bitch

I'll still hang around even though you cappin', cappin' (mm)
I could pretend you was my main nigga
Bet you love just how that feels (oh, shit) Out of my way, you out of pocket, need clear vision
boy (vision)
Can't trust decision when you near me
Get myself caught in your crossfire
You a wild one, and I'm wading in you like it's cool water
Like it's cool when you pull up boo'd up with a new and it's not me All that I know is (know is,
know is)
Mirrors inside me (mirrors inside me)
They recognize you (they recognize all that is good)
Please, don't deny me (please don't, baby, oh, ooh, yeah) Hit different, hit different
Hit different (hit different), hit different
Hit different, hit different (mm)
Hit different (oh), hit different (oh)
Hit different when I'm sittin' here
Alone, all by myself (alone, all by myself)
Hit different when I think I might be with somebody else (ooh, yeah) And it hit different, hit
different (It hit different)
Hit different, hit different (oh, na-na-na, na-na-na, oh)
Hit different, hit different (mm)
Hit different (nah, nah, ooh, oh)
This shit
Oh, woah (woah, woah, woah), yeah (oh, yeah)
Oh, woah (woah, woah, woah), yeah
